

A large, solid black L-shaped bracket is positioned in the upper right quadrant of the page. It consists of a vertical line extending downwards and a horizontal line extending to the left, which meet at a right angle. The bracket is oriented such that its vertical segment is on the right and its horizontal segment is on the top-left.

The image features a large, bold black number '5' positioned at the top right. Below it, towards the bottom right, is a smaller, solid black rectangular shape.

A large, bold, black number '5' is positioned in the upper half of the frame, oriented vertically. Below it, a smaller black rectangle is located in the bottom right corner.

A large, solid black circle is centered on a white background. The circle is perfectly opaque and has a consistent thickness.

A large black number 7 is positioned vertically on the right side of the page. Above it, at the top center, is a solid black horizontal rectangle. In the bottom right corner, there is a small black L-shaped bracket.

A large black circle with a smaller black circle at the top, centered on the page.
